Enjoy the magic of coloring in 3-D!

Here are some simple guidelines to help you make colorful pictures that will leap off the page in 3-D.

1. First, look at these pictures without wearing your Dover 3-D glasses.

2. Next, put on your 3-D glasses and see how the warm colors like red, orange, and yellow appear to pop off the page while the cool colors like purple, blue, and green stay in the background.

3. To create your own 3-D pictures remember that warm colors will "pop" more than cool colors. Be adventurous and experiment with different color combinations.

Try coloring without wearing your Dover 3-D glasses and surprise yourself when you put them on. Or, try wearing your 3-D glasses while you color and watch the magic appear as you work.

There's a chart of color bars on the inside back cover to remind you how 3-D coloring works.

Have fun! And check out our other 3-D coloring books at doverpublications.com/coloring

At Dover Publications we're committed to producing books in an earth-friendly manner and to helping our customers make greener choices.

Manufacturing books in the United States ensures compliance with strict environmental laws and eliminates the need for international freight shipping, a major contributor to global air pollution. And printing on recycled paper helps minimize our consumption of trees, water and fossil fuels.

The text of this book was printed on paper made with 50% post-consumer waste and the cover was printed on paper made with 10% post-consumer waste. At Dover, we use Environmental Defense's Paper Calculator to measure the benefits of these choices, including: the number of trees saved, gallons of water conserved, as well as air emissions and solid waste eliminated.

NOTE

This delightful book will transport you into the world of fairies, where you will discover that they are not only mischievous and magical—but also very fashionable! Held aloft by sturdy wings, the young women look splendid in their flower-patterned gowns, their flowing locks piled high upon their heads, or swirling about their shoulders. The young men wear tall boots, cuffed knee pants, and a belted tunic, or go barefoot as they travel through their wooded home. To make the fairy world burst with color, use colored pencils, markers, or crayons. And be sure to use your imagination as well. Enjoy!
